Are you being sponsored by a current Garden Club member? \_\_\_\_\_

If yes, please provide member's name \_\_\_\_\_

To be eligible for membership, prospective members must attend two meetings before joining the club. New members are required to participate in the club's civic beautification activities, support all fund raising events, attend a minimum of four meetings during the year, and pay annual dues of \$15.

As a new member everyone is encouraged to volunteer. Our organization's success relies on the support of an active membership. There are many committee options available and we hope that new members will choose to join at least one of the following. Please place a check next to the following committees that may be of interest to you, or that you would like to learn more about.
