Winter, 2011

"Thank an Educator"

In a few short weeks the holiday season will be upon us and many of us consider ways to thank a special teacher who has made school a welcoming place for our children.

Why not make a tax-deductible contribution to the Marlborough Education Foundation (MEF) in that special teacher's name? Your support will allow MEF to continue to provide grants for innovative and unusual programs that are not included in the regular school budget. Over the last fourteen years MEF has awarded over \$134,000 to our teachers and administrators. Much of that money came from parents like you who donated to the Foundation during the semiannual, "Thank an Educator" program.

Our winter recipients will receive a special MEF gift and a certificate telling them of your donation in their honor. Knowing that you took the time to remember them in a way that will benefit the entire school system is the best gift of all.

So shop no further. Give a gift that keeps on giving!
Please detach and return with your check by December 6, 2011
